## Author Index

### A

- Acevedo JP**, see **MELÉNDEZ FÉLIX CR**  
**Ainsley J, Voorhees C, Drake E**. Reconstructive hand surgery for quadriplegic persons, 39(11):715-721  
**Andersen AP**. Work potential evaluation in mental health, 39(10):659-663  
**Andersen LT**. Shoulder pain in hemiplegia, 39(1):11-19  
**Arnetz BB**. Gerontic occupational therapy—Psychological and social predictors of participation and therapeutic benefits, 39(7):460-465  
**Arnold LE, Clark DL, Sachs L, Jakim S, Smithies C**. Vestibular and visual rotational stimulation as treatment for attention deficit and hyperactivity, 39(2):84-91  
**Azen SP**, see **SAEKI K**

### B

- Banasiak N**, see **MANN WC**  
**Barris R**, see **OAKLEY F**  
**Baum CM**. Growth, renewal, and challenge: An important era for occupational therapy, 39(12):778-784  
**Bell E**. Nationally speaking—The changing faces of practice, 39(10):637-639  
**Benge MW**, see **SMITH RO**  
**Bing RK**. Nationally speaking—On getting from here to there to anywhere, 39(12):772-777  
**Bonder B**. American Occupational Therapy Foundation—Standardized assessments: Ethical principles for use, 39(7):473-475  
**Braband N**, see **GANS SO**  
**Brollier C**. Occupational therapy management and job performance of staff, 39(10):649-654  
**Burkhardt BF**. A time study of staff and student activities in a level II fieldwork program, 39(1):35-40

### C

- Campbell S**, see **CLARK F**  
**Christiansen CH**. Nationally speaking—Specialized accreditation: Endangered species in an era of change, 39(6):363-367  
**Christie BA, Joyce PC, Moeller PL**. Fieldwork experience, Part I: Impact on practice preference, 39(10):671-674  
**Christie BA, Joyce PC, Moeller PL**. Fieldwork experience, Part II: The supervisor's dilemma, 39(10):675-681  
**Clark DL**, see **ARNOLD LE**  
**Clark F**, see **SAEKI K**  
**Clark F, Sharrott G, Hill DJ, Campbell S**. A comparison of impact of undergraduate and graduate occupational therapy education on professional productivity, 39(3):155-162  
**Claus BS, Godfrey KJ**. Brief or new: A

distal support sling for the hemiplegic patient, 39(8):536-538

- Cole JA**, see **FRIEDEN L**  
**Cole MB**. Starting a level I fieldwork program, 39(9):584-588  
**Cooper BA**. A model for implementing color contrast in the environment of the elderly, 39(4):253-258  
**Cooper RG**. Nationally speaking—The revised fieldwork performance report: Implementation and implications, 39(2):77-78  
**Cottrill SD**, see **HANNAH RE**  
**Creighton C**. Three frames of reference in work-related occupational therapy programs, 39(5):331-334

### D

- Daniewicz CV**, see **MAURAS-CORSINO E**  
**Dauck BS**, see **OTTENBACHER K**  
**DeCarlo JJ, Mann WC**. The effectiveness of verbal versus activity groups in improving self-perceptions of interpersonal communication skills, 39(1):20-27  
**Decker SD, Schulz R**. Correlates of life satisfaction and depression in middle-aged and elderly spinal cord-injured persons, 39(11):740-745  
**Deitz JC**, see **JOHNSON CB**  
**de Sart M**, see **WEISS-LAMBROU R**  
**Drake E**, see **AINSLEY J**  
**Duncombe L, Howe MC**. Group work in occupational therapy: A survey of practice, 39(3):163-170  
**Dunn W**. Occupational therapy's challenge: Caregiving and research, 39(4):259-264  
**Duquette J**, see **WEISS-LAMBROU R**

### E

- Evans J**. Performance and attitudes of occupational therapists regarding sexual habilitation of pediatric patients, 39(10):664-670

### F

- Florian V, Sheffer M, Sachs D**. Time allocation patterns of occupational therapists in Israel: Implications for job satisfaction, 39(6):392-396  
**Frieden L, Cole JA**. Independence: The ultimate goal of rehabilitation for spinal cord-injured persons, 39(11):734-739

### G

- Gans SO, Braband N**. Brief or new: Adapted cone-handled sander, 39(1):49-51  
**Garber SL**, see **LATHEN PA**  
**Garber SL**. Guest editorial—New perspectives for the occupational therapist in the treatment of spinal cord-injured individuals, 39(11):703-704  
**Garber SL**. Nationally speaking—New perspectives for the occupational therapist in

the treatment of spinal cord-injured individuals, 39(11):703-704

- Garber SL**. Wheelchair cushions: A historical review, 39(7):453-459  
**Garber SL**. Wheelchair cushions for spinal cord-injured individuals, 39(11):722-725  
**Gevelinger M**, see **OTTENBACHER K**  
**Giles GM**. Anorexia nervosa and bulimia: An activity-oriented approach, 39(8):510-517  
**Gillette NP**, see **LLORENS LA**  
**Gilligan MB**, see **MAYBERRY W**  
**Gliner JA**. Purposeful activity in motor learning theory: An event approach to motor skill acquisition, 39(1):28-34  
**Goar D**, see **PETERSEN P**  
**Godfrey KJ**, see **CLAUS BS**  
**Grahn V**, see **OTTENBACHER K**  
**Gregorio TL**, see **LATHEN PA**

### H

- Hage G**. Brief or new: Two pronation splints, 39(4):265-267  
**Hannah RE, Cottrill SD**. The Canadian collar: A new cervical spine orthosis, 39(3):171-177  
**Harvey-Krefting L**. The concept of work in occupational therapy: A historical review, 39(5):301-307  
**Hassett C**, see **OTTENBACHER K**  
**Hightower-Vandamm MD**. Occupational therapy's journey: The implementation, challenge, and expectation, 39(12):785-790  
**Hill DJ**, see **CLARK F**  
**Hinojosa J**. The issue is—Implications for occupational therapy of a competency-based orientation, 39(8):539-541  
**Holmes D**. The role of the occupational therapist—work evaluator, 39(5):308-313  
**Howe MC**, see **DUNCOMBE L**  
**Hurff JM, Poulsen MK, Van Hoven J, Olson S**. A library skills program serving adults with mental retardation: An interdisciplinary approach, 39(4):233-239

### J

- Jaffe E**. Nationally speaking—Transition in health care—Critical planning for the 1990s: Part One, 39(7):431-435  
**Jaffe E**. Nationally speaking—Transition in health care: Critical planning for the 1990s, Part Two, 39(8):499-503  
**Jakim S**, see **ARNOLD LE**  
**Jean N, Samms C**. Brief or new—Ankle-foot positioning splint for comatose patients, 39(10):682-683  
**Johnson CB, Deitz JC**. Time use of mothers with preschool children: A pilot study, 39(9):578-583  
**Joyce PC**, see **CHRISTIE BA**

## K

- Kanellos MC.** Enhancing vocational outcomes of spinal cord-injured persons: The occupational therapist's role, 39(11):726-733
- Kaplan SH.** Patient education techniques used at burn centers, 39(10):655-658
- Kashman N, see MATHIOWETZ V**
- Katz N.** Occupational therapy's domain of concern: Reconsidered, 39(8):518-524
- Kemp B, Kleinplatz F.** Vocational rehabilitation of the older worker, 39(5):322-326
- Kielhofner G, see OAKLEY F**
- Kleinplatz F, see KEMP B**

## L

- Latham PA, Gregorio TL, Garber SL.** High-level quadriplegia: An occupational therapy challenge, 39(11):705-714
- Llorens LA, Gillette NP.** Nationally speaking—The challenge for research in a practice profession, 39(3):143-146
- Loomis B, see MADIGAN MJ**

## M

- Madigan MJ.** Characteristics of students in occupational therapy educational programs, 39(1):41-48
- Madigan MJ, Loomis B, Seefeldt M.** Curriculum revision: A case study of the process and product, 39(7):446-452
- Mann WC, see DECARLO JJ**
- Mann WC.** Survey methods, 39(10):640-648
- Mann WC, Banasiak N.** Fieldwork performance and academic grades, 39(2):92-95
- Marshall EM.** Guest editorial—Work evaluation as a theme, 39(5):295-296
- Marshall EM.** Looking back, 39(5):297-300
- Matheson LN, Ogden LD, Violette K, Schultz K.** Work hardening: Occupational therapy in industrial rehabilitation, 39(5):314-321
- Mathiowetz V, Volland G, Kashman N, Weber K.** Adult norms for the box and block test of manual dexterity, 39(6):386-391
- Mauras-Corsino E, Daniewicz CV, Swan LC.** The use of community networks for chronic psychiatric patients, 39(6):374-378
- Mayberry W, Gilligan MB.** American Occupational Therapy Foundation—Collaborative research, 39(1):52-53
- Mayberry W, Gilligan MB.** Ocular pursuit in mentally retarded, cerebral-palsied, and learning-disabled children, 39(9):589-595
- McColl M, Quinn B.** A quality assurance method for community occupational therapy, 39(9):570-577
- McFadden SM.** Nationally speaking—Understanding certification: Issues in fairness, 39(9):567-569
- Meléndez Félix CR, Acevedo JR.** Brief or new: The thigh feeder, 39(9):600-601
- Mildenberger LA.** Brief or new: Disc hand control for persons with high-level spinal cord injuries, 39(3):200-201
- Mitchell MM.** Professional development: Clinician to academician, 39(6):368-373

- Mittelstadt P.** Nationally speaking—The future of our nation's health care: Will rationing be needed?, 39(4):229-232
- Moeller PL, see CHRISTIE BA**
- Montagu A.** The issue is—Handicapping the "disabled": On our reactions to the disabled, 39(4):268-272
- Moreau R, see WEISS-LAMBROU R**
- Mosey AC.** Eleanor Clarke Slagle Lecture, 1985: A monistic or a pluralistic approach to professional identity?, 39(8):504-509

## O

- Oakley F, Kielhofner G, Barris R.** An occupational therapy approach to assessing psychiatric patients' adaptive functioning, 39(3):147-154
- Ogden LD, see MATHESON LN**
- Olson S, see HURFF JM**
- Ottensbacher K.** The American Occupational Therapy Foundation—Ritual, rigor, and relevance: The design of clinical research, 39(3):202-203
- Ottensbacher K, Dauck BS, Gevelinger M, Grahn V, Hassett C.** Reliability of the behavioral assessment scale of oral functions in feeding, 39(7):436-440
- Ottensbacher K, Petersen P.** Quantitative trends in occupational therapy research: Implications for practice and education, 39(4):240-246

## P

- Petersen P, see OTTENSBACHER K**
- Petersen P, Goar D, Van Deusen J.** Performance of female adults on the Southern California Visual Figure-Ground Perception Test, 39(8):525-530
- Pierce D.** Nationally speaking—ASCOTA: Student perspectives, 39(1):7-10
- Posthuma BW, Sommerfreund J.** Examination of selection criteria for a program in occupational therapy, 39(7):441-445
- Poulsen MK, see HURFF JM**

## Q

- Quinn B, see MCCOLL M**

## R

- Romsaas EP, Rosa SA.** Occupational therapy intervention for cancer patients with metastatic disease, 39(2):79-83
- Rosa SA, see ROMSAAS EP**
- Royeen CB.** Domain specifications of the construct tactile defensiveness, 39(9):596-599

## S

- Sabari JS.** Professional socialization: Implications for occupational therapy education, 39(2):96-102
- Sachs D, see FLORIAN V**
- Sachs L, see ARNOLD LE**
- Saeki K, Clark F, Azen SP.** Performance of Japanese and Japanese-American children on the motor accuracy-revised and design copying tests of the Southern California Sensory Integration tests, 39(2):103-113
- Sammis C, see JEAN N**
- Schaaf RC.** The frequency of vestibular disorders in developmentally delayed preschoolers with otitis media, 39(4):247-252

- Schultz K, see MATHESON LN**
- Schulz R, see DECKER SD**
- Scott WE.** Variables that contribute to leadership among female occupational therapists, 39(6):379-385
- Seefeldt M, see MADIGAN MJ**
- Sharrott G, see CLARK F**
- Sharrott GW.** American Occupational Therapy Foundation—Ethics of clinical research, 39(6):407
- Sharrott GW, Yerxa EJ.** The issue is—Promises to keep: Implications of the referent "patient" versus "client" for those served by occupational therapy, 39(6):401-406
- Sheffer M, see FLORIAN V**
- Sheldahl L, see WILKE NA**
- Skinner AD, Trachtman LH.** Brief or new: Use of a computer program (PC coloring book) in cognitive rehabilitation, 39(7):470-472
- Smith RO, Bengt MW.** Pinch and grasp strength: Standardization of terminology and protocol, 39(8):531-535
- Smithies C, see ARNOLD LE**
- Sommerfreund J, see POSTHUMA BW**
- Swan LC, see MAURAS-CORSINO E**

## T

- Tanguay PE.** The issue is—Does occupational therapy belong in the university?, 39(7):466-469
- Trachtman LH, see SKINNER AD**

## V

- Van Deusen J, see PETERSEN P**
- Van Hoven J, see HURFF JM**
- Violette K, see MATHESON LN**
- Visellear E.** Editorial—Surveys, 39(10):635
- Visellear E.** Editorial—Thanks, kind colleagues, 39(4):227
- Volland G, see MATHIOWETZ V**
- Voorhees C, see AINSLEY J**

## W

- Weber K, see MATHIOWETZ V**
- Weiss-Lambrou R, de Sart M, Moreau R, Duquette J.** Brief or new: Toilet independence for the severe bilateral upper limb amputee, 39(6):397-400
- Wiener MM.** Brief or new: Feeding device for finger foods, 39(11):746-747
- Wilke NA, Sheldahl L.** Use of simulated work testing in cardiac rehabilitation: A case report, 39(5):327-330

## Y

- Yerxa EJ, see SHARROTT GW**

## Z

- Zemke R.** Application of an ATNR rating scale to normal preschool children, 39(3):178-180

# Department Index

## AMERICAN OCCUPATIONAL THERAPY FOUNDATION

- AOTA and AOTF sponsor small research grants program for members, 39(11):748
- A reappraisal of anthropological fieldwork methods and the concept of culture in occupational therapy research, TAE Litterst, 39(9):602-604
- Collaborative research, W Mayberry, MB Gilligan, 39(1):52-53
- Ethics of clinical research, GW Sharrott, 39(6):407-408
- Foundation celebrates 20th anniversary, 39(4):273
- Meet the 1985 new Foundation board members, 39(8):542-543
- Ritual, rigor, and relevance: The design of clinical research, K Ottenbacher, 39(3):202-203
- Standardized assessments: Ethical principles for use, B Bonder, 39(7):473-475
- The 1985 American Occupational Therapy Foundation awards, 39(5):335

## BOOK REVIEWS

- Aging: The health care challenge, CB Lewis, Editor, 39(11):750
- A guide to vocational assessment, PW Power, 39(5):342
- Alcoholism treatment quarterly, B Carruth, Editor, 39(7):479
- An educative approach to behavior problems: A practical decision model for interventions with severely handicapped learners, IM Evans, LH Meyer, 39(10):685-686
- A stroke family guide and resource, GP Bray, GS Clark, Editors, 39(4):278-279
- Boyd's introduction to the study of disease, 9th edition, H Sheldon, Editor, 39(9):611-612
- Cardiac rehabilitation: An interdisciplinary team approach, SJ Cornett, JE Watson, 39(7):479-480
- Child care training for adults with mental retardation, volume I: Infants, instructor's manual, MU Dickerson, MJ Eastman, AM Saffer, 39(4):275
- Chronic illness and disability through the life span—Effects on self and family, MG Eisenberg, LC Sutkin, MA Jansen, Editors, 39(6):411-412
- Chronic pain: The psychotherapeutic spectrum, A Bellissimo, E Tunks, 39(9):610
- Clinical management of memory problems, BA Wilson, N Moffat, Editors, 39(9):613
- Comprehensive rehabilitation of burns, SV Fisher, PA Helm, 39(8):545-546
- Continuing education for the health professions: Developing, managing, and evaluating programs for maximum impact on patient care, JS Green, SJ Grosswald, E Suter, DB Walthall III, 39(12):830
- Coordinated service delivery systems for the elderly: New approach for the care and referral in New York State, R Bennett, S Frisch, B Gurland, D Wilder, 39(2):120
- Cost-effectiveness: A primer, HM Levin, 39(4):275-276
- Design of rehabilitation services in psychiatric hospital settings, GS Fidler, 39(3):209-210
- Dysphagia: Diagnosis and management, ME Groher, Editor, 39(12):829
- Educating young handicapped children: A developmental approach, 2nd edition, SG Garwood, 39(3):207
- Enhancing productivity in health care facilities, R Laliberty, WF Christopher, 39(8):548
- Functional assessment in rehabilitation, CV Granger, GE Gresham, 39(10):685
- Generalized compliance training: A direct-instruction program for managing severe behavior problems, S Englemann, G Colvin, 39(9):612
- Gross motor and oral motor development in children with Down's Syndrome—Birth through three years, D Slight, C Niman, 39(9):609-610
- Guiding the mentally retarded person to success: Basic behavior principles and practice, JT Neisworth, RM Smith, 39(7):481

- Handbook of psychological assessment, G Goldstein, M Hersen, Editors, 39(5):345
- Handicapped infants and children: A handbook for parents and professionals, C Tingey-Michaelis, 39(2):119
- Helping patients and their families cope with medical problems, HB Roback, Editor, 39(8):546-547
- High technology aids for the disabled, WJ Perkins, Editor, 39(5):342-343
- Hospice: Complete care of the terminally ill, JM Zimmerman, 39(4):276
- If blindness strikes: Don't strike out, MH Smith, 39(3):207-208
- Improving staff effectiveness in human service settings: Organizational behavior management approaches, LW Frederikson, W Riley, 39(3):210
- Inpatient group psychotherapy, ID Yalom, 39(9):610-611
- Leisure and lifestyle, M Maynard, L Chadderton, Editors, 39(7):480-481
- Long-term care: Perspectives from research and demonstrations, RJ Vogel, HC Palmer, Editors, 39(7):481-482
- Management principles for health professionals, JG Liebler, RE Levine, HL Dervitz, 39(2):118
- Marketing for mental health services, WJ Winston, Editor, 39(4):277
- Medical aspects of developmental disabilities in children birth to three, JA Blackman, 39(9):613
- Neurological pathophysiology, AL Pearlman, RC Collins, Editors, 39(9):609
- New developments in behavior therapy: From research to clinical application, CM Franks, Editor, 39(5):343-344
- Occupational therapy in health care, FS Cromwell, Editor, 39(3):211
- Occupational therapy in mental retardation, EF Lederman, 39(6):413
- Occupational therapy: Work-related programs and assessments, K Jacobs, 39(6):411
- Personal computers and the disabled, PA McWilliams, 39(8):546
- Pets and the elderly: The therapeutic bond, O Cusock, E Smith, 39(7):478
- Picture this: An illustrated guide to complete diners, S Bachner, 39(9):609
- Principals of reimbursement in health care, DF Beck, 39(7):478
- Proactive vocational habilitation, EH Rudrud, JP Ziarnik, GS Bernstein, JM Ferrara, 39(4):277-278
- Professional guide for activity coordinators, RN Cunningham, 39(3):212
- Psychiatry update: The American Psychiatric Association annual review, Vol. III, L Grinspoon, Editor, 39(8):548
- Psychological aspects of muscular dystrophy and allied diseases: Commitment to life, health and function, LI Charish et al., Editors, 39(6):412-413
- Psychology for occupational therapists, F Fransella, 39(3):208-209
- Psychosocial aspects of disability, G Henderson, WV Bryan, 39(9):613-614
- Psychosocial occupational therapy: Practice in a pluralistic arena, R Barris, G Kielhofner, JH Watts, 39(1):56-57
- PTSD: The Vietnam veteran—A special issue of the *Journal of Contemporary Psychotherapy* (Vol. 14, No. 1), W Quaytman, Editor, 39(8):544
- Rehabilitation of the burn patient, V DiGregorio, Editor, 39(6):412
- Rehabilitation of the hand, JM Hunter, LH Schneider, EJ Mackin, AD Callahan, Editors, 39(8):547
- Respite care: Principles, programs, and policies, S Cohen, RD Warren, 39(10):685
- Rheumatic diseases: Rehabilitation and management, GK Riggs, EP Gall, Editors, 39(3):210-211
- San Francisco Bay area occupational therapy handbook on reimbursement, M Duckman, L Panikoff, GG Williams, 39(2):118-119

- Scorable self care evaluation, EN Clark, M Peters, 39(1):57
- SCORE: Solving community obstacles and restoring employment, LW Kramer, 39(4):277
- SCORE: Solving community obstacles and restoring employment, LW Kramer, 39(5):344-345
- Sensory integration: Rationale and treatment activities for groups, LL Vander Roest, ST Clements, 39(5):346
- Stimulating the exceptional child: Strategies for teaching communication and behavior change to the mentally disabled, C Kiernan, R Jordan, C Saunders, 39(7):482
- Teaching quality assurance and cost containment in health care—A faculty guide, JW Williamson, 39(3):208
- Technology and handicapped people, Office of Technology Assessment, US Congress, 39(5):345-346
- To provide safe passage: The humanistic aspects of medicine, PL Rabin, D Rabin, Editors, 39(11):750
- The chronic mental patient: Five years later, JA Talbot, Editor, 39(9):611
- The health care supervisor's legal guide, KH Henry, 39(10):685
- The modern practice of community mental health, HC Schulberg, M Killilea, Editors, 39(4):276-277
- The new short term therapies for children, LE Shapiro, 39(8):544
- The painful prescription: Rationing hospital care, HJ Aaron, WB Schwartz, 39(7):478-479
- The psychiatric therapies, TB Karasu, 39(2):117-118
- The psychological and social impact of physical disability, RP Marinelli, AE Dell Orto, Editors, 39(8):545
- The rehabilitation of brain functions: Principles, procedures, and techniques of neurotraining, JF Craine, HE Gudeman, 39(12):829
- The self-help revolution, A Gartner, F Riessman, Editors, 39(8):547-548
- The use of sensory stimulation in teaching mentally impaired students, P Goven, T Faber, S Prins, B Mangold, 39(2):119-120

#### BRIEF OR NEW

- Adapted cone-handled sander, SO Gans, N. Braband, 39(1):49-51
- A distal support sling for the hemiplegic patient, BS Claus, KJ Godfrey, 39(8):536-537
- Ankle-foot positioning splint for comatose patients, N Jean, C Samms, 39(10):682-684
- Disk hand control for persons with high-level spinal cord injuries, LA Mildenberger, 39(3):200-201
- Feeding device for finger foods, MM Wiener, 39(11):746-747
- The thigh feeder, CR Meléndez Félix, JR Acevedo, 39(9):600-602
- Toilet independence for the severe bilateral upper limb amputee, R Weiss-Lambrou, M de Sart, R Moreau, J Duquette, 39(6):397-400
- Two pronation splints, G Hage, 39(4):265
- Use of a computer program (PC coloring book) in cognitive rehabilitation, AD Skinner, LH Trachtman, 39(7):470-472

#### CONFERENCE

- Conference—Discover Minneapolis: An exciting city near beautiful parks and lakes, 39(12):827

#### CORRECTIONS

- Medicare: A summary of coverage for occupational therapy services, reimbursement guidelines, and covered durable medical equipment, 39(1):55
- Ritual, rigor, and relevance: The design of clinical research, KJ Ottenbacher, 39(6):408-411

#### EDITORIALS

- Editorial—Surveys, 39(10):635
- Guest editorial—New perspectives for the occupational therapist in the treatment of spinal cord-injured individuals, SL Garber, 39(11):703-704
- Thanks, kind colleagues, 39(4):227
- Work evaluation as a theme, 39(5):295-296

#### IN MEMORIAM

- B Bond, JV Blackwood, M Britton, AL Foote, LL Lease, S Lee, SD Mezger, MP Nickerson, MS Parker, BF Perkins, DE Wampler, 39(9):607
- MS Rood, 39(1):54

#### LETTERS TO THE EDITOR

- Academic legitimacy? MS Rosenfeld, 39(3):204-205
- Author response, MA Kircher, 39(2):115-116
- Discussion of "patient" versus "client," B Hasselkus, 39(9): 605
- Home health care, KGA Diamond, 39(5):339
- Inappropriate article for AJOT, MP Rose, et al., 39(5):336
- Is study design right for the question? N Katz, 39(5):338
- Motivation and activity, MC Kasch, 39(2):114-115
- Nontraditional education is worthwhile, DL Nelson, 39(3):204
- Praise for home health care issue, KGA Diamond, 39(9):606
- Purpose of book reiterated, JL Watson, 39(9):605-606
- The authors respond, KJ Ottenbacher, P Petersen, 39(3):205-206
- The authors' response, HP Parette, Jr, JP Hourcade, 39(5):336-337
- The authors' response, R Cahill, JM Madigan, 39(5):338-339
- The case report captures uniqueness of performance, E Breines, 39(3):206
- Wants practical information, M Queen, 39(5):337

#### THE ISSUE IS

- Does occupational therapy belong in the university? PE Tanguay, 39(7):466-469
- Handicapping the "disabled": On our reactions to the disabled, A Montagu, 39(4):268-271
- Implications for occupational therapy of a competency-based orientation, J Hinojosa, 39(8):539-541
- Promises to keep: Implications of the referent "patient" versus "client" for those served by occupational therapy, GW Sharrott, EJ Yerxa, 39(6):401-405

# Subject Index

## A

### ACCREDITATION

Nationally speaking—Specialized accreditation: Endangered species in an era of change, 39(6):363-367

### ACTIVITY PROGRAMS

Gerontic occupational therapy—Psychological and social predictors of participation and therapeutic benefits, 39(7):460-465

### AGED

Gerontic occupational therapy—Psychological and social predictors of participation and therapeutic benefits, 39(7):460-465

### AGING

A model for implementing color contrast in the environment of the elderly, 39(4):253-258

Vocational rehabilitation of the older worker, 39(5):322-326

### AMERICAN OCCUPATIONAL THERAPY ASSOCIATION

#### Business reports

AOTA annual business meeting—1985, 39(12):821-824

AOTA representative assembly meeting—1985, 39(12):818-820

Bylaws, 39(3):181-199

#### Educational programs

Listing of educational programs in occupational therapy 1984-1985, 39(12):811-817

#### Guidelines, policies, positions

Guide to classification of occupational therapy personnel, 39(12):803-810

#### Nationally speaking

ASCOTA: Student perspectives, 39(1):7-10

On getting from here to there to anywhere (presidential address), 39(12):772-777

#### President's address

Nationally speaking—On getting from here to there to anywhere, 39(12):772-777

#### Slagle lecture

Eleanor Clarke Slagle lecture, 1985: A monistic or a pluralistic approach to professional identity?, 39(8):504-509

### AMPUTATION

Brief or new: Toilet independence for the severe bilateral upper limb amputee, 39(6):397-400

### ARTHRITIS

The Canadian collar: A new cervical spine orthosis, 39(3):171-177

### ASSESSMENT

Wheelchair cushions: A historical review, 39(7):453-459

### ATTITUDE OF HEALTH PERSONNEL

The issue is—Handicapping the "Disabled": On our reactions to the disabled, 39(4):268-272

## B

### BRACHIAL PLEXUS

#### Injuries

Shoulder pain in hemiplegia, 39(1):11-19

### BURNS

Patient education techniques used at burn centers, 39(10):655-658

## C

### CANCER

Occupational therapy intervention for cancer patients with metastatic disease, 39(2):79-83

### CERTIFICATION

Nationally speaking—Understanding certification: Issues in fairness, 39(9):567-569

### CHILD DEVELOPMENT

Domain specifications of the construct "active defensiveness", 39(9):596-599

Performance and attitudes of occupational therapists regarding sexual habilitation of pediatric patients, 39(10):664-670

Time use of mothers with preschool children: A pilot study, 39(9):578-583

### CHILD DEVELOPMENT DISORDERS

The frequency of vestibular disorders in developmentally delayed preschoolers with otitis media, 39(4):247-252

### COGNITION

Anorexia nervosa and bulimia: An activity-oriented approach, 39(8):510-517

Brief or new: Use of a computer program (PC coloring book) in cognitive rehabilitation, 39(7):470-472

### COMMUNITY HEALTH SERVICES

A quality assurance method for community occupational therapy, 39(9):570-577

### COMMUNITY-INSTITUTIONAL RELATIONS

The use of community networks for chronic psychiatric patients, 39(6):374-378

### COMMUNITY RESOURCES

A library skills program serving adults with mental retardation: An interdisciplinary approach, 39(4):233-239

### COMPUTERS

Brief or new: Use of a computer program (PC coloring book) in cognitive rehabilitation, 39(7):470-472

### CONSUMER PARTICIPATION

Independence: The ultimate goal of rehabilitation for spinal cord-injured persons, 39(11):734-739

### CULTURAL CHARACTERISTICS

Performance of Japanese and Japanese-American children on the motor accuracy-revised and design copying tests of the Southern California Sensory Integration Tests, 39(2):103-113

### CURRICULUM

Curriculum revision: A case study of the process and product, 39(7):446-452

## D

### DATA COLLECTION

#### Methods

Survey methods, 39(10):640-648

### DECUBITUS ULCER

#### Therapy

Wheelchair cushions for spinal cord-injured individuals, 39(11):722-725

### DELIVERY OF HEALTH CARE

#### Trends

Growth, renewal, and challenge: An important era for occupational therapy, 39(12):778-784

Nationally speaking—The future of our nation's health care: Will rationing be needed?, 39(4):229-232

Nationally speaking—Transition in health care—Critical planning for the 1990's: Part one, 39(7):431-435

Nationally speaking—Transition of health care: Critical planning for the 1990's: Part two, 39(8):499-503

Occupational therapy's journey: The implementation, challenge, and expectation, 39(12):785-790

### DEVELOPMENTAL DISABILITIES

A library skills program serving adults with mental retardation: An interdisciplinary approach, 39(4):233-239

## E

### EATING DISORDERS

Anorexia nervosa and bulimia: An activity-oriented approach, 39(8):510-517

### EDUCATION

Professional development: Clinician to academician, 39(6):368-373

## EDUCATION, OCCUPATIONAL THERAPY

A comparison of impact of undergraduate and graduate occupational therapy education on professional productivity, 39(3):155-162

A time study of staff and student activities in a level II fieldwork program, 39(1):35-40

Characteristics of students in occupational therapy educational programs, 39(1):41-48

Curriculum revision: A case study of the process and product, 39(7):446-452

Examination of selection criteria for a program in occupational therapy, 39(7):441-445

Fieldwork experience, Part I: Impact on practice preference, 39(10):671-674

Fieldwork performance and academic grades, 39(2):92-95

Professional development: Clinician to academician, 39(6):368-373

Professional socialization: Implications for occupational therapy education, 39(2):96-102

Starting a level I fieldwork program, 39(9):584-588

The issue is—Does occupational therapy belong in the university?, 39(7):466-469

### Competency-based education

The issue is—Implications for occupational therapy of a competency-based orientation, 39(8):539-541

### Standards

Nationally speaking—Specialized accreditation: Endangered species in an era of change, 39(6):363-367

## EQUIPMENT DESIGN

Brief or new: Adapted cone-handled sander, 39(1):49-51

Brief or new: Toilet independence for the severe bilateral upper limb amputee, 39(6):397-400

### Feeding

Brief or new: Feeding for finger foods, 39(11):746-747

Brief or new: The feeder, 39(9):600-601

### Mobilization

Brief or new: Disk hand control for persons with high-level spinal cord injuries, 39(3):200-201

### Positioning

The Canadian collar: A new cervical spine orthosis, 39(3):171-177

### Slings

Brief or new: A distal support sling for the hemiplegic patient, 39(8):536-537

## EQUIPMENT, SEATING

Wheelchair cushions: A historical review, 39(7):453-459

## EQUIPMENT, THERAPEUTIC

Wheelchair cushions for spinal cord-injured individuals, 39(11):722-725

## EXERCISE THERAPY

### Equipment

Brief or new: Adapted cone-handled sander, 39(1):49-51

## F

## FACULTY

Professional development: Clinician to academician, 39(6):368-373

## FEEDING BEHAVIOR

Reliability of the behavioral assessment scale of oral functions in feeding, 39(7):436-440

## FIELDWORK

A time study of staff and student activities in a level II fieldwork program, 39(1):35-40

Fieldwork experience, Part I: Impact on practice preference, 39(10):671-674

Fieldwork experience, Part II: The supervisor's dilemma, 39(10):675-681

Fieldwork performance and academic grades, 39(2):92-95

Nationally speaking—The revised fieldwork performance report: Implementation and implications, 39(2):77-78

Starting a level I fieldwork program, 39(9):584-588

## FIGURE-GROUND PERCEPTION

Performance of female adults on the Southern California Visual Figure-Ground Perception Test, 39(8):525-530

## G

## GERIATRICS

Gerontic occupational therapy—Psychological and social predictors of participation and therapeutic benefits, 39(7):460-465

## GROUP PROCESSES

Group work in occupational therapy: A survey of practice, 39(3):163-170

The effectiveness of verbal versus activity groups in improving self-perceptions of interpersonal communication skills, 39(1):20-27

The use of community networks for chronic psychiatric patients, 39(6):374-378

## H

## HAND

Adult norms for the box and block test of manual dexterity, 39(6):386-391

Pinch and grasp strength: Standardization of terminology and protocol, 39(8):531-535

## HAND DYSFUNCTION

### Therapy

Reconstructive hand surgery for quadriplegic persons, 39(11):715-721

## HANDICAPPED

Ocular pursuit in mentally retarded, cerebral-palsied, and learning-disabled children, 39(9):589-595

## HANDICAPPED, PHYSICALLY

Time use of mothers with preschool children: A pilot study, 39(9):578-583

## HEALTH SERVICES NEEDS AND DEMANDS

Nationally speaking—The future of our nation's health care: Will rationing be needed?, 39(4):229-232

## HEALTH SERVICES RESEARCH

A quality assurance method for community occupational therapy, 39(9):570-577

## HEART DISEASES

### Assessment

Use of simulated work testing in cardiac rehabilitation: A case report, 39(5):327-330

## HEMIPLEGIA

### Assessment

Shoulder pain in hemiplegia, 39(1):11-19

## HISTORY OF OCCUPATIONAL THERAPY

Looking back, 39(5):297-300

The concept of work in occupational therapy: A historical review, 39(5):301-307

## HUMAN DEVELOPMENT

Ocular pursuit in mentally retarded, cerebral-palsied, and learning-disabled children, 39(9):589-595

Performance and attitudes of occupational therapists regarding sexual habilitation of pediatric patients, 39(10):664-670

## HUMAN OCCUPATION

An occupational therapy approach to assessing psychiatric patients' adaptive functioning, 39(3):147-154

Occupational therapy's domain of concern: Reconsidered, 39(8):518-524

## I

## INDEPENDENT LIVING

Independence: The ultimate goal of rehabilitation for spinal cord-injured persons, 39(11):734-739

## INSTITUTIONALIZATION

Gerontic occupational therapy—Psychological and social predictors of participation and therapeutic benefits, 39(7):460-465

## INTERVIEWS

Examination of selection criteria for a program in occupational therapy, 39(7):441-445

Survey methods, 39(10):640-648

## J

## JOB SATISFACTION

Time allocation patterns of occupational therapists in Israel: Implications for job satisfaction, 39(6):392-396

## L

### LEADERSHIP

- Occupational therapy management and job performance of staff, 39(10):649-654
- Variables that contribute to leadership among female occupational therapists, 39(6):379-385

## M

### MANPOWER, OCCUPATIONAL THERAPY

- Time allocation patterns of occupational therapists in Israel: Implications for job satisfaction, 39(6):392-396

### MENTAL DISORDERS

- The use of community networks for chronic psychiatric patients, 39(6):374-378

#### Assessment

- An occupational therapy approach to assessing psychiatric patients' adaptive functioning, 39(3):147-154

### MENTAL HEALTH SERVICES

- Work potential evaluation in mental health, 39(10):659-663

### MENTAL RETARDATION

#### Therapy

- A library skills program serving adults with mental retardation: An interdisciplinary approach, 39(4):233-239

### MODELS, THEORETICAL

- A model for implementing color contrast in the environment of the elderly, 39(4):253-258
- An occupational therapy approach to assessing psychiatric patients' adaptive functioning, 39(3):147-154
- Occupational therapy's domain of concern: Reconsidered, 39(8):518-524

### MOTOR SKILLS

- Adult norms for the box and block test of manual dexterity, 39(6):386-391
- Purposeful activity in motor learning theory: An event approach to motor skill acquisition, 39(1):28-34

## O

### OBITUARIES

- In Memoriam—Margaret S. Rood: 1909-1984, 39(1):54-55

### OCCUPATIONAL BEHAVIOR

- A comparison of impact of undergraduate and graduate occupational therapy education on professional productivity, 39(3):155-162
- A library skills program serving adults with mental retardation: An interdisciplinary approach, 39(4):233-239
- Three frames of reference in work-related occupational therapy programs, 39(5):331-334

### OCCUPATIONAL THERAPY ASSESSMENT

- An occupational therapy approach to assessing psychiatric patients' adaptive functioning, 39(3):147-154

### OCCUPATIONAL THERAPY DEPARTMENT, HOSPITAL

- Occupational therapy management and job performance of staff, 39(10):649-654

### ORGANIZATIONAL OBJECTIVES

#### Organization and administration

- Occupational therapy management and job performance of staff, 39(10):649-654

### ORTHOTIC DEVICES

- The Canadian collar: a new cervical spine orthosis, 39(3):171-177

## P

### PARENT-CHILD RELATIONS

- Time use of mothers with preschool children: A pilot study, 39(9):578-583

### PATIENT EDUCATION

- Patient education techniques used at burn centers, 39(10):655-658

### PATIENT OUTCOME ASSESSMENT

- Ocular pursuit in mentally retarded, cerebral-palsied, and learning-disabled children, 39(9):589-595
- Wheelchair cushions for spinal cord-injured individuals, 39(11):722-725

## PHILOSOPHY, OCCUPATIONAL THERAPY

- Eleanor Clarke Slagle lecture, 1985: A monoistic or a pluralistic approach to professional identity?, 39(8):504-509

## PHYSICAL ENVIRONMENT

- A model for implementing color contrast in the environment of the elderly, 39(4):253-258

## PREHENSION

- Pinch and grasp strength: Standardization of terminology and protocol, 39(8):531-535

## PRESSURE

- Wheelchair cushions: A historical review, 39(7):453-459
- Wheelchair cushions for spinal cord-injured individuals, 39(11):722-725

## PRODUCTIVITY

- A comparison of impact of undergraduate and graduate occupational therapy education in professional productivity, 39(3):155-162
- A time study of staff and student activities in a level II fieldwork program, 39(1):35-40

## PROFESSIONAL COMPETENCE

- Occupational therapy management and job performance of staff, 39(10):649-654

## PROFESSIONAL PRACTICE

- Fieldwork experience, Part I: Impact on practice preference, 39(10):671-674
- Nationally speaking—The challenge for research in a practice profession, 39(3):143-146
- The changing faces of practice, 39(10):637-639

## PROGRAM DEVELOPMENT

- Starting a level I fieldwork program, 39(9):584-588

## PSYCHOLOGY, EDUCATIONAL

- Characteristics of students in occupational therapy educational programs, 39(1):41-48

## Q

### QUADRIPLEGIA

- High-level quadriplegia: An occupational therapy challenge, 39(11):705-714
- Reconstructive hand surgery for quadriplegic persons, 39(11):715-721

### QUALITY OF HEALTH CARE

- A quality assurance method for community occupational therapy, 39(9):570-577

### QUALITY OF LIFE

- Correlates of life satisfaction and depression in middle-aged and elderly spinal cord-injured persons, 39(11):740-746

## R

### REFLEX, TONIC NECK

- Application of an ATNR rating scale to normal preschool children, 39(3):178-180

### REHABILITATION

- High-level quadriplegia: An occupational therapy challenge, 39(11):705-714
- Independence: The ultimate goal of rehabilitation for spinal cord-injured persons, 39(11):734-739
- Patient education techniques used at burn centers, 39(10):655-658

### REHABILITATION, VOCATIONAL

- Enhancing vocational outcomes of spinal cord-injured persons: The occupational therapists' role, 39(11):726-733
- Looking back, 39(5):297-300
- The concept of work in occupational therapy: A historical review, 39(5):301-307
- The role of the occupational therapist-work evaluator, 39(5):308-313
- Three frames of reference in work-related occupational therapy programs, 39(5):331-334
- Vocational rehabilitation of the older worker, 39(5):322-326
- Work hardening: Occupational therapy in industrial rehabilitation, 39(5):314-321

### REIMBURSEMENT

- Occupational therapy's journey: The implementation, challenge, and expectation, 39(12):785-790

## REIMBURSEMENT MECHANISMS

Growth, renewal, and challenge: An important era for occupational therapy, 39(12):778-784

## RESEARCH

Domain specifications of the construct tactile defensiveness, 39(9):596-599

Nationally speaking—The challenge for research in a practice profession, 39(3):143-146

Occupational therapy's challenge: Caregiving and research, 39(4):259-264

The Foundation—Collaborative research, 39(1):52-53

The Foundation—Ethics of clinical research, 39(6):407-410

### Methods

Editorial, 39(10):635

Quantitative trends in occupational therapy research: Implications for practice and education, 39(4):240-246

Survey methods, 39(10):640-648

The Foundation—A reappraisal of anthropological fieldwork methods and the concept of culture in occupational therapy research, 39(9):602-603

## RESEARCH DESIGN

The Foundation—Ritual, rigor, and relevance: The design of clinical research, 39(3):202-203

## RETIREMENT

Vocational rehabilitation of the older worker, 39(5):322-326

## ROLE

The role of the occupational therapist—Work evaluator, 39(5):308-313

Variables that contribute to leadership among female occupational therapists, 39(6):379-385

## ROLE, OCCUPATIONAL

Independence: The ultimate goal of rehabilitation for spinal cord-injured persons, 39(11):734-739

## S

## SELF-CONCEPT

Performance and attitudes of occupational therapists regarding sexual habilitation of pediatric patients, 39(10):664-670

## SELF-HELP DEVICES

Brief or new: The thigh feeder, 39(9):600-601

Brief or new: Toilet independence for the severe bilateral upper limb amputee, 39(6):397-400

## SENSORY INTEGRATION

Domain specifications of the construct tactile defensiveness, 39(9):596-599

Ocular pursuit in mentally retarded, cerebral-palsied, and learning-disabled children, 39(9):589-595

Performance of Japanese and Japanese-American children on the motor accuracy-revised and design copying tests of the Southern California Sensory Integration Tests, 39(2):103-113

The frequency of vestibular disorders in developmentally delayed preschoolers with otitis media, 39(4):247-252

Vestibular and visual rotational stimulation as treatment for attention deficit and hyperactivity, 39(2):84-91

## SENSORY STIMULATION

Vestibular and visual rotational stimulation as treatment for attention deficit and hyperactivity, 39(2):84-91

## SERVICES, OCCUPATIONAL THERAPY

Anorexia nervosa and bulimia: An activity-oriented approach, 39(8):510-517

Enhancing vocational outcomes of spinal cord-injured persons: The occupational therapists' role, 39(11):726-733

Gerontic occupational therapy—Psychological and social predictors of participation and therapeutic benefits, 39(7):460-465

Group work in occupational therapy: A survey of practice, 39(3):163-170

Growth, renewal, and challenge: An important era for occupational therapy, 39(12):778-784

Occupational therapy intervention for cancer patients with metastatic disease, 39(2):79-83

Occupational therapy's journey: The implementation, challenge, and expectation, 39(12):785-790

Purposeful activity in motor learning theory: An event approach to motor skill acquisition, 39(1):28-34

Shoulder pain in hemiplegia, 39(1):11-19

The effectiveness of verbal versus activity groups in improving self-perceptions of interpersonal communication skills, 39(1):20-27

The role of the occupational therapist—Work evaluator, 39(5):308-313

The use of community networks for chronic psychiatric patients, 39(6):374-378

Use of simulated work testing in cardiac rehabilitation: A case report, 39(5):327-330

Vestibular and visual rotational stimulation as treatment for attention deficit and hyperactivity, 39(2):84-91

Vocational rehabilitation of the older worker, 39(5):322-326

Work hardening: Occupational therapy in industrial rehabilitation, 39(5):314-321

Work potential evaluation in mental health, 39(10):659-663

## SEX

Performance and attitudes of occupational therapists regarding sexual habilitation of pediatric patients, 39(10):664-670

## SHOULDER DISLOCATION

Shoulder pain in hemiplegia, 39(1):11-19

## SKILLS, LIVING

High-level quadriplegia: An occupational therapy challenge, 39(11):705-714

## SOCIAL INTERACTION

The effectiveness of verbal versus activity groups in improving self-perceptions of interpersonal communication skills, 39(1):20-27

## SOCIALIZATION

Professional socialization: Implications for occupational therapy education, 39(2):96-102

## SOCIAL PERCEPTION

Correlates of life satisfaction and depression in middle-aged and elderly spinal cord-injured persons, 39(11):740-746

## SOCIAL SUPPORT

Correlates of life satisfaction and depression in middle-aged and elderly spinal cord-injured persons, 39(11):740-746

## SPINAL CORD INJURIES

Brief or new: Disk hand control for persons with high-level spinal cord injuries, 39(3):200-201

Correlates of life satisfaction and depression in middle-aged and elderly spinal cord-injured persons, 39(11):740-746

Guest editorial, New perspectives for the occupational therapist in the treatment of spinal cord-injured individuals, 39(11):703-704

Independence: The ultimate goal of rehabilitation for spinal cord-injured persons, 39(11):734-739

### Therapy

High-level quadriplegia: An occupational therapy challenge, 39(11):705-714

## SPLINTS, FOOT

Brief or new: Ankle-foot positioning splint for comatose patients, 39(10):682-683

## SPLINTS, FOREARM

Brief or new: Two pronation splints, 39(4):265-267

## STATISTICS

Quantitative trends in occupational therapy research: Implications for practice and education, 39(4):240-246

## STUDENT SELECTION

### Methods

Examination of selection criteria for a program in occupational therapy, 39(7):441-445

## STUDENTS, OCCUPATIONAL THERAPY

Characteristics of students in occupational therapy educational programs, 39(1):41-48

Fieldwork experience, Part II: The supervisor's dilemma, 39(10):675-681

Nationally speaking—ASCOTA: Student perspectives, 39(1):7-10

## T

## TACTILE DEFENSE

Domain specifications of the construct tactile defensiveness, 39(9):596-599

## TEACHING

Curriculum revision: A case study of the process and product, 39(7):446-452

## TENDON TRANSFER

Reconstructive hand surgery for quadriplegic persons, 39(11):715-721

## TEST RELIABILITY

Performance of female adults on the Southern California Visual Figure-Ground Perception Test, 39(8):525-530

Reliability of the behavioral assessment scale of oral functions in feeding, 39(7):436-440

## TESTS

Adult norms for the box and block test of manual dexterity, 39(6):386-391

Performance of female adults on the Southern California Visual Figure-Ground Perception Test, 39(8):525-530

Pinch and grasp strength: Standardization of terminology and protocol, 39(8):531-535

Reliability of the behavioral assessment scale of oral functions in feeding, 39(7):436-440

## Sensorimotor

Performance of Japanese and Japanese-American children on the motor accuracy-revised and design copying tests of the Southern California Sensory Integration Tests, 39(2):103-113

## TESTS, BY TITLE

### Sensorimotor

Application of an ATNR rating scale to normal preschool children, 39(3):171-177

## THEORY

The concept of work in occupational therapy: A historical review, 39(5):301-307

Three frames of reference in work-related occupational therapy programs, 39(5):331-334

## TIME

Occupational therapy's domain of concern: Reconsidered, 39(8):518-524

Time allocation patterns of occupational therapists in Israel: Implications for job satisfaction, 39(6):392-396

Time use of mothers with preschool children: A pilot study, 39(9):578-583

## TOILET FACILITIES

Brief or new: Toilet independence for the severe bilateral upper limb amputee, 39(6):397-400

## TRACKING TASK

Ocular pursuit in mentally retarded, cerebral-palsied, and learning-disabled children, 39(9):589-595

## TREATMENT MODALITIES

Group work in occupational therapy: A survey of practice, 39(3):163-170

## V

## VESTIBULAR DYSFUNCTION

The frequency of vestibular disorders in developmentally delayed preschoolers with otitis media, 39(4):247-252

## VESTIBULAR STIMULATION

Vestibular and visual rotational stimulation as treatment for attention deficit and hyperactivity, 39(2):84-91

## VISUAL PERCEPTION

A model for implementing color contrast in the environment of the elderly, 39(4):253-258

Performance of female adults on the Southern California Visual Figure-Ground Perception Test, 39(8):525-530

## VOCABULARY

The issue is—Promises to keep: Implications of the referent "patient" versus "client" for those served by occupational therapy, 39(6):401-406

## W

## WHEELCHAIRS

Wheelchair cushions: A historical review, 39(7):453-459

Wheelchair cushions for spinal cord-injured individuals, 39(11):722-725

## WOMEN

Variables that contribute to leadership among female occupational therapists, 39(6):379-385

## WORK

The concept of work in occupational therapy: A historical review, 39(5):301-307

Enhancing vocational outcomes of spinal cord-injured persons: The occupational therapist's role, 39(11):726-733

Use of simulated work testing in cardiac rehabilitation: A case report, 39(5):327-330

Work hardening: Occupational therapy in industrial rehabilitation, 39(5):314-321

Work potential evaluation in mental health, 39(10):659-663

## WORK, ASSESSMENT

Guest editorial—Work evaluation as a theme, 39(5):295-296

Looking back, 39(5):297-300

The role of the occupational therapist—work evaluator, 39(5):308-313
